3. Paul gives us a number of promises in this passage. Write down a few of the promises that you can find in this passage. Choose one of them to meditate on each day of this week.

12. For Further ministry:

Look up [www.persecution.com](http://www.persecution.com) on the internet and research the persecuted Church. Your assignment is to locate a person or people group who are suffering for Christ and to begin praying for them. Consider writing a Christian in prison, encouraging them with the same principles that you have learned from this lesson.
